INVITATION TO DIALOGUES ON THE MICHELCAZA BLOG.....
HAVE YOU NOTHING TO SPEAK OR TO ASK OR TO EXCHANGE ABOUT SCREEN OR DIGITAL?

Dear Michel I'm your 3rd correspondant going to your Blog since more or less one month. It's so few....then I'm thinking about the reason. Does this blog intests no one? or here is some problem of visibility to acced to the dialog place on the blog itself.

I think it will be interesting to have some Fespa persons to test by themself how it works.To see were is the problem except of course a simple lack of interest

Michel try to answer to me as soon you receive me, please, only to see. Thanks

another idea Michel ... could you lounch every week a very precise subject , asking for many diferent advices from a miximum of professional persons.

Waiting for your quick answer....
