
NUR Blueboard Auction, eBay July 18-25, no minimum

Posted by PellioDPU - 2008/07/18 00:39

Check out an amazing deal on eBay, an auction for NUR Blueboard 300 HiQ+DIS printers. There are three printers, though the auction is for one machine. These printers are owned by Britten, Inc, and are currently being stored in the Britten warehouse. They are decommissioned but in good working condition, excellent physical condition, and retain all working parts including RIP, operating system, print heads, etc. Multiple item package discount will be considered, all offers considered. For more information or questions, please contact Paul Elliott at PElliott@brittenbanners.com.

Don't miss this great offer!
