
NUR Fresco 1800 HiQ, NUR Ultima 5000 For Sale

Posted by PellioDPU - 2008/08/07 22:38

Britten Inc still has available a NUR Fresco 1800 HiQ, and a NUR Ultima 5000 printer for sale. These are wide-superwide format printers, in great physical condition and good working order. The Ultima is practically never used. Britten is currently storing these machines in it's warehouse, and both machines retain all their working parts. Pricing is very reasonable, all offers considered. For more information, or for pictures of the machines, please call 231 941 8500, mention your interest in either printer, and ask for Bill Duncan. Don't miss this great offer!
